## II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

IN THE UNITED DISTRICT COURT FOR THE EASTERN DISTRICT OF VIRGINIA

41. Respondents have intentionally engaged in tactics to place Claimants under extreme emotional distress, directly and indirectly.

IN THE UNITED DISTRICT COURT FOR THE EASTERN DISTRICT OF VIRGINIA

56. At all times Respondents have refused to deal with the Trustees and rightful owners of the estates.

60. At all times, Respondents have been unable and/or unwilling to produce copies of checks or records evidencing that funds asserted “loaned” and “owed” were in fact transferred and presented and accepted by Trustees of the property.
61. At all times, Respondents’ Complaints filed in Court were defective according to each States’ procedural laws and included non-applicable boilerplate language to give the appearance of legitimate standing to engage in the business of theft of property and harassing legitimate real property owners.
62. At all times, Claimant asserts, that Trustees are the true owners of the real property and that Respondents in total are operating under *color of authority* and are utilizing, through collusion, the Court System as a means to advance its unlawful objectives.

IN THE UNITED DISTRICT COURT FOR THE EASTERN DISTRICT OF VIRGINIA

63. At all times, Claimant asserts, that Trustees are the true owners of the real property and that Respondents, in total, are operating under *color of law* and are utilizing, through collusion, the Court System as a means to advance its unlawful objectives.
64. Lawfully, a Deed does not supersede Land Patents regardless of how many times the deed is transferred or sold. Indigenous people are the original land patent owners.
65. Claimants are the lawful and rightful possessors of the Land Patents and if Respondents choose to assert rights superior to the land/structures then Respondents lawfully must deal with the Trustees of the Estates and not the beneficiaries of the Estate.

**CONCLUSION**

66. The foregoing paragraphs are incorporated by reference as if set forth fully herein.
67. Respondents actions at all times have violated Torah; the Law of Yahuah.
68. Respondents at all times have failed to proffer any factual and legal evidence through pleadings or attaching material documents as evidence to their Mortgage Complaints and establish any cognizable and honorable basis for their foreclosures and therefore any remedy to be provided at Common Law, International Law, or by Statutory Law is beyond Respondents' reach and therefore the cause of Respondents need to engage in malfeasance.
69. Furthermore, Respondents are criminal opportunist and looking to take part in the housing mortgage foreclosure crisis that is currently occurring in the Nation, although not solely, and primarily against a marginalized and discriminated group of people, who are not only indigenous to these lands but who have been targeted for the sole purpose of advancing the Gentrification scheme.

IN THE UNITED DISTRICT COURT FOR THE EASTERN DISTRICT OF VIRGINIA

70. Attorneys are not legally bonded to engage in debt collecting and have failed to adhere to the laws required by the Fair Credit Collections requirements to operate as lawful debt collectors of the united states.
71. Respondents tactics are direct violations of the Declaration on the Rights of Indigenous Peoples established under the United Nations for the protection of people who have been and continue to be detrimentally affected by colonialization and white supremacy.
72. Respondents tactics and intentional acts violate the Guale Yamassee Indigenous Constitution.
73. Respondents tactics and intentional acts violate Free Prior and Informed Consent by Indigenous people regarding their properties and land.

**WHEREFORE**, based upon the aforementioned and by Respondent's plethora of documents filed in the above matters, very own Complaints, which serves as admissions. Claimants on behalf of their-beneficiaries demand that Respondents cease their unlawful and fraudulent actions against Claimants, that this Court under 18 U.S. Code § 3333 ORDER an investigation into the Mortgage fraudulent schemes engaged by the above states and local municipalities, and due to the intentional and punitive nature of Respondents actions, that:
